Answer

MINISTER OF TEXTILES (SHRI SHANKERSINH VAGHELA)

(a) Government has been taking suitable measures from time to time to promote the growth of the textile industry as a whole including spinning mills.

(b) The state wise number of cotton / man made fibre textile spinning mills (Non SSI) functioning and closed in the country as on 31/10/2004 is furnished in Annexure-I

(c) Since the closed textile mills mentioned in Annexure-I are in the private sector, the prime responsibility for their revival rests with their management. However, for the revival of closed textile mills Government has no existing Scheme. For the sick mills which may or may not be closed, the government has set up Board for Industrial & Financial Reconstruction (BIFR) under Sick Industrial Companies (Special Provisions) Act with a view to arranging the timely detection of sick and potentially sick companies and for the speedy determination of preventive, ameliorative and remedial measures which need to be taken in respect of such companies. The cooperative sector is not covered under the purview of BIFR.

(d) & (e) M/s. Nagina Sahakari Katai Mills Limited in Bijnore district of Uttar Pradesh having 1034 workers was closed in January 2000. This is a spinning mill in the co-operative sector not covered under the purview of BIFR. Since it is not covered under any Scheme of the Union Government, the initiative for revival has to be taken by the State Government.
